1	Yes	Centre for Distance and Online Education	RKDF University, Airport bypass road, near RGPV - Bhopal-462033-Madhya Pradesh	To ensure the security, transparency, and credibility of examinations conducted at exam centers in the traditional copy paper mode, RKDF University will adopt a comprehensive approach involving multiple robust methods and steps. First, the design of the examination will involve creating a large and dynamic question bank with multiple versions of each question, ensuring quality and relevance through rigorous vetting. For student authentication at the exam room, a strict verification process will be implemented, including the use of photo ID verification. Additionally, trained invigilators will be present to oversee the examination process and ensure adherence to examination rules and regulations. The examination environment in the room will be controlled and secure. Students will be prohibited from bringing any unauthorized materials into the exam hall, and their personal belongings will be stored separately to prevent any form of cheating. To maintain transparency and credibility in evaluation, the university will implement a robust process for the collection and handling of answer sheets. After the exam, answer sheets will be securely transported to the university for grading. Grading will be conducted anonymously using student identification numbers instead of names, ensuring unbiased evaluation. Detailed logs of all exam activities, including the collection and transportation of answer sheets, will be maintained to ensure accountability and transparency. Finally, continuous improvement will be achieved by collecting feedback from students, invigilators, and other examination staff on the examination process to identify areas for enhancement. Regular internal and external audits of examination processes will be conducted to ensure compliance with best practices and standards. By adopting these comprehensive methods and steps, RKDF University will maintain high standards of security, transparency, and credibility in its examinations conducted in the traditional copy paper mode.
